VIAC HANDBOOK Rules of Arbitration and Mediation, 2nd (revised) edition

Well-known arbitration and mediation practitioners have authored this new guide and commented on the new Vienna Rules and the new Vienna Mediation Rules 2018, which came into effect on 1 January 2018. This guide provides a helpful and easily comprehensible overview over proceedings administered by the International Arbitral Centre of the Austrian Federal Economic Chamber (VIAC). Designed for practitioners, the guide reproduces each article entirely and provides detailed comments and background information on the amendments.

Therefore the guide is essential for those who conduct an arbitration or a mediation under the Vienna (Mediation) Rules for the first time as well as for those who have been operating in this area for a long time and who want to get acquainted with the modifications..
