Organization

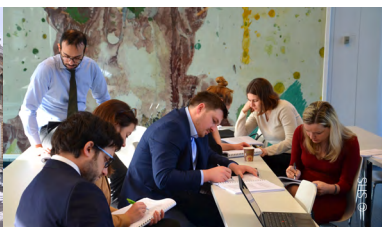

The Austrian Arbitration Academy – Arbitration Rules in Practice, taking place within the framework of the Sommerhochschule, is an intensive, five-day program on international commercial arbitration from an institutional perspective. Jointly organized by the Vienna International Arbitral Centre, the Young Austrian Arbitration Practitioners, the Austrian Arbitration Association and the Sommerhochschule of the University of Vienna, which has been hosting an annual international summer school in Strobl/Wolfgangsee since 1949 and the Austrian Arbitration Academy since 2014, this program has been specifically devised for participants with first experience in the area of international arbitration.

The course will take place in Vienna and will consist of a taught module and participation in the Vienna Arbitration Days.

It addresses the following groups of participants:

- young practitioners (in particular junior associates/ RechtsanwaltsanwarterInnen) working in the field of dispute resolution
- PhD and diploma students specializing in arbitration

Professor Paul Oberhammer (Vienna/London/St. Gallen) acts as course director of the Arbitration Academy, while Dr. Alice Fremuth-Wolf is co-director of the Austrian Arbitration Academy - Arbitration Rules in Practice on behalf of VIAC. The classes will be taught by first class international arbitration practitioners from both the bar and academia.

Courses

The Austrian Arbitration Academy – Arbitration Rules in Practice will take place from Tuesday, February 22 to Saturday, February 26, 2022. Participants will enjoy three days of interactive classes (eight modules à two hours). The course will mirror the structure of an (administered) arbitration and will discuss salient issues of international arbitration, in particular practical problems that might be encountered frequently. Throughout the course, the focus will lie on institutional arbitration proceedings. The last session on Thursday will consist of a mock organizational hearing. For successful completion of the course, participants will thereafter be asked to draft a Procedural Order No 1. On Friday and Saturday, all participants will attend the Vienna Arbitration Days, the leading arbitration conference in Austria (registration fee included).

The course will cover the following topics:

- Introduction
- The Arbitration Agreement + Constitution of the Arbitral Tribunal
- Organization of Proceedings
- The Arbitral Award + Costs
- Multiparty Arbitration
- Evidence
- The Hearing in Practice
- Mock Organizational Hearing

Successful participants will receive the University of Vienna-Austrian Arbitration Academy-VIAC practice diploma. In the past, successful participants have received on occasion individual accreditation for the participation from the Vienna Bar Association (“Anerkennung einer Ausbildungsveranstaltung durch die RAK Wien”; insg 8 Halbtage).
